

MILKY STOOL MUUU

Design: Maurizio Peregalli

Frame: Copper black epoxy painted

Seat: Aged solid olive wood, polished

Dimensions: 43 x 30 x H 35 cm

Characteristics:

Olive tree is known not only for its resistance and hardness but especially for its flame aspect and its artistic chromatic grains. Each piece is entirely made by hand and therefore unique. Buying a product in massive olive wood you have to know and accept that with time it will change: splits and cracks are the characteristics of unique pieces.
